Already ordered online? Include your order reference below so the laboratory can match this shipment.

Level 1 - Silver

\$250 / sample | 1 vial

Purity, Quantity, Spectral Identity Analysis, Solubility.

Level 2 - Gold

\$550 / sample | 3 vials

Purity, Quantity, Spectral Identity Analysis, Solubility, Endotoxins, Sterility (USP 71).

Level 3 - Elite

\$700 / sample | 4 vials

Purity, Quantity, Spectral Identity Analysis, Solubility, Endotoxins, Sterility (USP 71), Heavy Metals, Fentanyl Testing.

Add-ons / Enter the letter codes on page 2. Add only what your panel does not already include.

S: Sterility (USP 71) +\$150. Microbial test for injectables. Already included in Gold and Elite. 14-day testing period.

B: Bioburden (USP 61) +\$150 for creams, lotions and capsules: total aerobic plate count + total yeast and mold.

3-day microbial test; reporting follows the lab schedule. Choose S or B, never both. For B, choose Silver or an agreed custom scope.

F: Fentanyl +\$50 on Silver / Gold (same vial); included in Elite. | T: TFA +\$50 | V: Vial seal integrity +\$50

R: Residual solvents +\$150 | E: Endotoxins +\$210 (Silver) | H: Heavy metals +\$150 (Silver / Gold) | C: Conformity \$100 per additional vial

Standalone tests: Raw powder purity \$200: send 50 mg. | BAC / pH verification \$200: 1 vial (3 mL vials: send 2).

Capsules: send 7-10 units minimum. Creams / lotions: confirm amount and packaging with the lab before shipping.

Standard reporting: 7-10 business days; sterility 14 days. | Volume: 10% off testing at 10+ samples. | A photo on your COA is free.

For vial samples: panel vials + 1 per added test (except fentanyl) + conformity vials. Confirm any extra photo sample requirements.

Client name

Email for results and invoice (required)

Phone (required)

Company name to appear on report

Existing online order reference (if any)

Street address

City / state / ZIP

Label each sample with the compound and lot. Pack securely and use a trackable carrier.

Ask the laboratory to confirm timing before shipping. Rush requests require laboratory confirmation.

Sample submission form / Sample and shipment details

Company / client name

Existing order reference (if any)

Choose one panel per row: 1 = Silver, 2 = Gold, 3 = Elite, RAW = raw powder purity, BAC = BAC / pH, Custom = agreed scope.

Codes: S sterility, B bioburden, F fentanyl (included in Elite), T TFA, V seal integrity, R solvents, E endotoxins, H heavy metals, C conformity.

Include form (vial, capsule, cream, lotion) with sample ID. Amount: include units (mg/vial, mg/capsule, concentration). RAW: send 50 mg.
